

It is time again for our annual prayer walk! Have you ever wondered what would happen here in Kalkaska Michigan if all of God's people gathered and circled their community in prayer? Want to find out? Our KART trail circles the very heart of our community with our schools, the jail, the courthouse and our community center. Our children are suffering from depression and anxiety in record numbers, teachers are being stretched to be educators as well as counselors to help each child face another day. Our justice system is broken, and the enemy wants us to accept that he has won. It's time we get serious about prayer and take back what the enemy has stolen. Will you join together as Christian soldiers and take our war rooms out into the streets as we walk the KART trail in unison lifting our hearts individually to God to come and heal our land? We are asking for every church to join us:

- Date: Monday August 21
- Time: 6pm
- Start location: Middle School Parking Lot (back)

If you are physically unable to walk this circle, then we encourage you to parking lot pray. Drive from school to school, to the courthouse and the jail parking lots and pray over our community!

2 Chronicles 7:14, "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and will heal their land."
